PROHIBITION ERA

The Prohibition Era was a nation wide ban of alcohol in the U.S which lasted from 1920 until 1933.

As a result, bartenders were unable to source high quality liquors, and thus began the age of bath tub gin, moonshine and other foul tasting concoctions that were made illegally and without regulation.

In order to combat these nasty home made products, bartenders had to get creative with the use of juices and syrups to make their cocktails more palatable.

Here are a few our our favourite Prohibition Era cocktails.

Enjoy!
